APPLICATION TO PLANNING AUTHORITY

LIMERICK CITY AND COUNTY COUNCIL

Uisce Éireann intends to apply for a 10-year planning permission to construct a new wastewater treatment plant (WwTP) at Coolaboy, Dromcollogher, Co. Limerick. The Proposed Development will comprise the construction of a new WwTP to provide treatment capacity for a population equivalent (PE) of 1,350 (10 years) and 1,550 (30 years). The wastewater will be treated and discharged via an outfall pipe into the River Deel at a location approximately 6.5 kilometres to the northwest of the WwTP. The outfall pipe will be located primarily in public roads in the townlands of Coolaboy, Mundellihy, Ballinlongig, Cloonmore and Tulligmacthomas. The existing WwTP will be decommissioned and demolished upon completion of the Proposed Development. The Proposed Development will comprise:

I. Development of a new preliminary wastewater treatment plant including infrastructure such as bypass channels and screens; grit and fats, oils, greases (FOG) removal plant; storm water overflow tank; sludge drying reed beds; flash mixer chamber; return liquor pumping station facilities; caustic and ferric dosing storage tanks; flow to full treatment (FFT) pumping station; final settlement tank flow split chamber; 2 no. final clarifiers; sludge draw off chamber (return-activated sludge and waste-activated sludge pumping station); static mixer; wash water pumping station; tertiary disk filter; and final effluent pumping station.

II. Development of an ESB sub-station, control building, and fuel tank.

III. Provision of approx. 54m of new gravity sewer to direct flows to the new WwTP. This will replace an existing combined sewer overflow which will be decommissioned after the process switchover.

IV. Provision of adequate site lighting, access gates, access stairs, walkways, car parking and electric charging facilities, and site boundary hedging and fencing.

V. Provision of photovoltaic (PV) panels on the site of the existing WwTP following its decommissioning.

VI. Provision of site drainage infrastructure including a hydrocarbon interceptor, construction of outfall pipe along public roads, and headwall in Tulligmacthomas.

VII. Realignment and widening of existing site entrance, including provision of a new access road into the site and a bridge within the site.

VIII. All hard and soft landscaping throughout the site, and all associated and ancillary site works.

The Proposed Development will be accompanied by a Natura Impact Statement (NIS). The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of the Planning Authority, Limerick City & County Council Offices, Dooradoyle Road, Limerick, V94 WV78 during its public opening hours. A submission or observation in relation to the application may be made in writing to the Planning Authority on payment of the prescribed fee of €20, within the period of 5 weeks beginning on the date of receipt by the Authority of the application, and such submissions or observations will be considered by the Planning Authority in making a decision on the application. The Planning Authority may grant permission subject to or without conditions, or may refuse to grant permission.
